Bride's Sixpence

The Bride's Sixpence

*Here's an English sixpence
From the land of kings and queens
That's said to bring good fortune
For all one's hopes and dreams.*

*Although you may not know it,
Along with something old and new,
A bride is meant to carry
A lucky coin tucked in her shoe.*

*Then when your day is over
And your vows have all been said,
This coin becomes a keepsake
Of the day that you were wed.*
